

Arwa AlZain

Computer Science Student | Seeking Co-op Training

Riyadh, Saudi Arabia | Arwaahalzain@gmail.com | (+966) 508484143 | [Linkedin](#) | [Github](#) | [Portfolio](#)

PROFILE

Final-year Computer Science student with hands-on experience in web, mobile, and AI-based applications. Skilled in HTML, CSS, JavaScript, Java, Flutter, and REST API integration, with a strong focus on building user-friendly and reliable systems. Microsoft Certified in Azure AI Fundamentals. Seeking a cooperative training opportunity to apply my skills and gain real-world industry experience.

EDUCATION

Bachelor of Computer Science 08/2026 (expected)
Qassim University

PROJECTS

Saudi Tales | Graduation Project with Qassim University 09/2025 – Present
An AI-powered web application that identifies Saudi landmarks from uploaded images using computer vision and deep learning techniques to promote awareness of historical and cultural sites.

GameX Tech Dashboard | Front-End Bootcamp 01/2026 – 02/2026
Built a responsive React admin dashboard that displayed real-time gaming data via a public API and enabled product, order, inventory, and user management. [View here](#)

Riwa Store | Full-Stack Bootcamp 09/2025 – 10/2025
Created a full-stack e-commerce site (HTML/CSS/JS/Bootstrap) with PHP/MySQL, featuring product catalog, shopping cart, order processing, user authentication, and secure payment. [View here](#)

Dictionary App | Flutter Mobile Application Bootcamp 07/2025 – 08/2025
Developed a Flutter mobile dictionary app with real-time word search using a REST API. Implemented asynchronous data fetching, error handling, and a clean responsive UI. [View here](#)

IQRAA | Visual Programming Project with Qassim University 11/2024 – 12/2024
Developed a desktop library management system with book search, reporting, and SQL database integration. Implemented input validation, exception handling, and system testing to ensure reliability. [View here](#)

SKILLS

Technical Skills

- Programming Languages: Java, C++, Python, JavaScript, Dart.
- Web Development: HTML, CSS, Bootstrap, React, PHP.
- Mobile Development: Flutter.
- Databases: MySQL, Microsoft Access.
- AI & ML: Computer Vision, Transfer Learning, Feature Extraction, Model Evaluation.
- Tools & Platforms: Git, GitHub, VS Code, Figma, Google Colab.
- Concepts: REST APIs, Responsive Design, Object-Oriented Programming (OOP).

Soft Skills

- Communication.
- Leadership.
- Adaptability.
- Team Collaboration.
- Problem-Solving.
- Time Management.
- Critical Thinking
- Continuous Self-Learning
